EVERGLADES ISLAND 3, Palm Beach, FL

BEAUTIFULLY REIMAGINED: This Bermuda gem evokes an island lifestyle and ambiance which is ideal for families and entertaining. The interior has been beautifully reimagined and is now in total harmony with the tropical gardens that surround the house. The home is the epitome of "Palm Beach Chic" in the truest sense. Architectural elements include soaring pickled wood ceilings throughout the house, outdoor covered loggias with a fireplace and an infinity pool which all create a magical setting overlooking 150' of water frontage. There is a separate pool house positioned alongside the water which consists of a large living room with vaulted ceilings, bedroom, bathroom, morning bar and outdoor gazebo for "alfresco" dining. The house was taken down to the studs in 2016 and SEE MORE:
